YOUR OFFER

Conditional Offer Outstanding Conditions

***ACADEMIC REQUIREMENT**

This offer is conditional upon you being awarded a Bachelor degree (minimum 3 years) with a final overall weighted average of 55% or above.

We normally calculate the final overall mark of degrees using the weighted average method. This means that we will take in to account the credit value of all modules (from all years) that have been credited. For module marks that use a range, we will use the mid-point of the range for our final average calculation.

You will need to provide scanned copies of original official documentation to confirm that the qualification has been awarded and satisfies our entry criteria. This should include a full and final official transcript.

If your qualification documents are not in English, you will also need to provide official certified translations. All documents provided should be colour scans, either on headed paper or with an institution stamp.

Please note, the overall final mark will be taken from all 5 years of study across both your Bachelor degrees.
